*The Michigan Coastal Management Program  
and the Noble Odyssey Foundation Present:*

*Ancient Shores of the  
Great Lakes ...  
A Voyage into History*

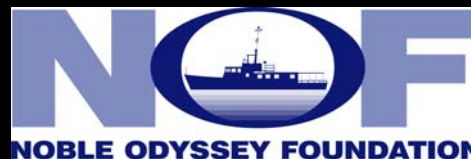

*In August of 2008, Lt. Governor John Cherry presented a Coastal Zone Management Grant for \$21,000 to Captain Luke Clyburn to support the Great Lakes research of the Noble Odyssey Foundation. This 25 minute film documents the exciting underwater discoveries made in 2009, while promoting Michigan's Maritime History and our precious Great Lakes.*
